

## **OMLL – Bibliography**

**Publications and presentations in the context of research funded through the OMLL Programme (submissions by Project Leaders and Principal Investigators)**

### ***The cultural self-organisation of cognitive grammar (CRP 01-JA02)***

**(01-C03)**

- Castelfranchi, C. (2003), “*Implicit Behavioral Communication in Imitation*”, 2<sup>nd</sup> International Symposium on Imitation in Animals and Artifacts at the AISB '03 Convention, University of Wales, 07-11/04/2003, Aberystwyth, U.K. [part of the “Artificial Intelligence and Simulation of Behaviour Convention”, general theme: "Cognition in Machines and Animals" - (poster presentation).
- Castelfranchi, C., Giardini, F. (2003), “*Silent Agents. Behavioral Implicit Communication for Multi-Agents Coordination and HM-Interaction*”, The 2<sup>nd</sup> Annual Symposium on Autonomous Intelligent Networks and Systems, 30/06-01/07/2003, Menlo Park, CA, U.S.A. – (On-line proceedings).
- Castelfranchi, C. (2003), “*Theory of social and cognitive action and communication*”, Invited Speaker, 1st International Workshop “Socio-Cognitive Grids: The Net as a Universal Human Resource” - TALES of the Disappearing Computer (DC), 01-04/06/2003, Santorini, Greece – (invited talk).
- Castelfranchi, C. (2003) *When Doing is Saying. The Theory of Behavioral Implicit Communication*. Invited Speaker, International Conference “Where is your head at? Mental Processes, Communication, and Rules”, 02-03/10/2003 - International Institute for Advanced Scientific Studies – Vietri, Italy – (invited talk).
- Castelfranchi, C., Giardini, F. (2003), “*Will Humans and Robots Ever Coordinate Each Other Via Behavioral Communication?*”, Symposium on Evolvability and Interaction: Evolutionary Substrates of Communication, Signaling, and Perception in the Dynamics of Social Complexity, Queen Mary University, 08-10/10/2003, London, U.K., University of Hertfordshire technical report, 30-35.
- Giardini F., Castelfranchi C. (2004), “*The Cognitive and Pragmatic Emergence of Language from Actions*”, International Conference “Language, Culture and Mind”, 18-20/07/2004, Portsmouth, England (accepted poster presentation).
- Giardini F., Castelfranchi C. (2004), “*Behavioural Implicit Communication as a Theory of the Cognitive Origins of Language*”. OMLL Conference, Leipzig 3-6 April 2004 (poster presentation).
- Giardini, F., Castelfranchi, C. (2003), “*Beyond Language*”, Institute for Science and Technology of Cognition Technical Report (ISTC – 07 – 2003)
- Lorini, E., Castelfranchi C. (2004), “*Steps in Behavioural Implicit Communication Evolution*”. Poster presented at the OMLL Conference, Leipzig 3-6 April 2004 (poster presentation).
