

# Overview of the proposed draft structure for the European Peer Review Guide

**Member Organisation Forum on Peer Review**

**7<sup>th</sup> Working Group Meeting**

*19 May 2010, Brussels*

**Farzam Ranjbaran,**

Corporate Science Operations  
European Science Foundation

# Presentation of the main structure of the Guide

**Your contributions along three items:**

**A- The first three Subsections of Chapter 1 as given in the document**

In particular, we would like to have your comments on:

**1.2 Rational**

**1.3 Scope, and**

**1.4 Applicability**

▶ **B- Structure of the Guide**

Considering the current document structure and your response to A, please discuss whether or not the suggested structure fits the purpose as intended and outlined under A.

## **C- More detailed analysis of the structure of the Guide**

Considering the outcome of the plenary discussions, breakout groups for elaborating on the Table of Contents of the Guide. You are invited to provide your suggestions on the list of items that may be necessary to be covered (added or removed) in the given Chapters, Sections and Sub-Sections.
