

SiS Forum - Dublin

- What is a recommendation ?

Presentations should include:

- General views as an introduction
- List of potential recommendations
- Describe one or two of them using the following items
- Caution : a recommendation may be normative or interrogative or a mix of both

Some criteria

- Corresponds to a goal or an objective for action
- Can be defined in a few sentences
- Is different from another recommendation
- Concerns one or more levels of responsibility
- Includes potential advantages and difficulties
- Needs a structure
- Needs time and funding
- Is supported by a processor
- Needs reporting
- Feeds further evaluation
