# Fight Kids Cancer 2025-2026 Competitive Call
Submission of Full Proposals
Platform Guidelines

For all correspondence concerning the online submission of your application, please send an email to esf-panels@esf.org.

1. Log in to the platform

You can directly click on the link that was provided in your invitation and log in with your email address and the password you have selected and start your application.

To complete your profile, click on the button "Click Here" on the "Welcome to your portal" section.

Fill in the Contact Information Details and click on "Complete Profile" once it is done.

This platform will enable you to register and submit the details of your application. The data collected are necessary to process applications. Mandatory data fields are marked in red.

Please note that by submitting an application you explicitly accept that your personal details and project details are communicated to the following different parties (who may be located in any country in the world) depending on their role in the process described above: authorised ESF staff, scientific community (external reviewers/pan...

Further information on the collection, registration and dissemination of data is available at https://www.esf.org/privacy-policy/

☐ I have read the above, understood these requirements and acknowledge that my data has been passed on to ESF, and explicitly accept all of this.
